The President's Message:

XRISTOS ANESTI! ALITHOS ANESTI!
CHRIST IS RISEN! INDEED, HE IS RISEN!

My dear Tsintzinians,

First and foremost, I hope and pray that the blessing of the Lord's Resurrection be upon you and your families! I also hope and pray that you all are safe and healthy! Secondly, in this brief Newsletter, I want to announce what we, your board, are planning for our reunion. At this time, we are moving forward with plans to have our reunion as originally scheduled from July 23rd to July 26th - if the State of New York lawfully allows such gatherings. As of today, May 1st, the non-essential mandate will be lifted on May 15th.

Going forward we will be posting an attendance "show of hands" on our Facebook page. We will post this question at the beginning of June and July to get real-time data in accordance with the status of the pandemic. Whether there are 20 of us or 120 of us, we will need to plan accordingly concerning food and music.

Please understand that we want anyone who can attend this year to be completely comfortable in so doing. Masks and gloves will be recommended but NOT mandatory. Keep in mind any hotel reservations that you make now may be at risk depending on how the State of New York responds to the future status therein, so be sure to ask if they offer refunds or re-bookings. This decision has not been announced to spark a(n) scientific, social, moral, ethical or otherwise debate, but rather to let you know and/or reassure you that OUR spirit (T5ØBÜ pn5ØRÜvma mas) is alive and strong! I certainly respect your decision either way and hope to see you in Jamestown or through virtual efforts!

Thank you and take care!
DUANE FERENCZ
